Mr. Percy Harris,
705 Harrison St.,
Syracuse, N. Y.

Dear Percy:

I wonder if you could find time to help me out with a baseball program. It would even be an opportunity for some one to make a little money. We would like to come to Syracuse to play a baseball game between two of our Colored Teams August 3rd, 4th or 5th. Syracuse ~~the~~ away all of those days, we would decide which one we preferred, if you could get the park for us. We would arrange to send the placards up there to be distributed, and I would write you further about what to do in promoting the game, if we can secure the park.

We will give you or whoever handles the promotion 10% of the net gate. We played in Syracuse once and had a wonderful crowd.

It will be necessary for you to get busy right away, because having a game one of these dates would not allow us any too much time for publicity.

Will greatly appreciate your cooperation, and will look to hear from you right away.

Very truly yours,
